Suggestions for our New Challenge

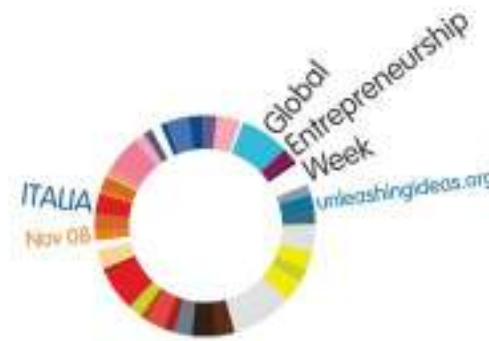

Andrea Gumina, Luiss University

Investire nell'imprenditorialità

Workshop di apertura della Prima Edizione in Italia della Global Entrepreneurship Week

History of an ecosystem

Proposed Aims

- New Venture empowerment through Luiss' Facilities, Expertises, Relationships, Alumni & Broader Network
- Partnership to be deployed at an international level (Kauffman, SVIEC, etc.)
- Hub for investment process stakeholders
- Policy think-tank and lobbying centre
- Our own structure for supporting the ***Investment Value Chain (IVC)***: best ideas deal flow + people + capital + vision + relationships

Achievable results

- Impact on Italian industrial structure via our own *IVC* applied on:
 - knowledge-based / global-born start-ups fostering
 - innovation ignition into mature sector
- Strong Faculty involvement in key processes
- Empowerment of an international trusted ecosystem for investors / entrepreneurs
- Alumni and Graduates involved in management and go-to-market of ventures
